

Expanding Your Candidate Pools

Client's Challenge:

Seeking to grow quickly, a healthcare client located in Boston, Massachusetts, was ready to hire behavioral health therapists for a new location. In need of results, they turned to Xelerate.

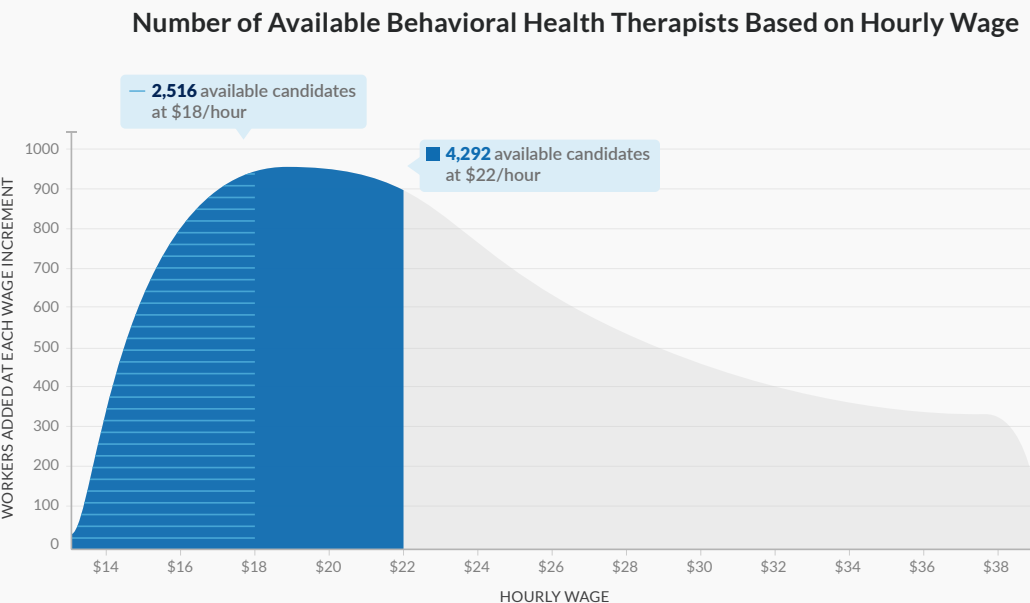

Xelerate's Impact:

Following strategic collaboration with the client, Xelerate worked to identify the insights that would make the biggest impact.

By increasing compensation from \$18/hour to \$22/hour, the client would be able to **expand the available candidate pool by 20%** — taking it from 2,516 candidates to 4,292 candidates and predictably improving the client's time to hire.

With data-backed insights and a proven hiring process, Xelerate delivers the talent to drive growth.

We are Xelerate. Let's get to work.
